

Maths Fun!

Would you like the chance to play maths games with your child and find out all about *Mastering Number*?

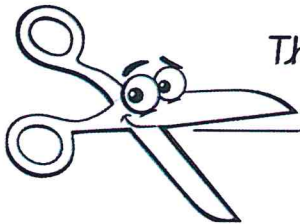

Reception, Year 1 and Year 2 are all offering a short stay and play session, one day a week, for 5 weeks.

Each session will start promptly at 8.35am (KSI Hall doors open from 8.30am) and finish at 8.45am.

You will be able to see *Mastering Number* in action and find out ways that you can further support your child at home, on their maths journey.

To find out more about how your child learns important number skills, and the details of the stay and play sessions, please come along to an introduction session on:

Thursday 18th January at 2pm in the KS2 Hall.

Maths Fun Introduction Session

I/We would like to support our child: _____
class: _____ with their maths skills, by finding out more
about *Mastering Number* at an introduction session on
Thursday 18th January at 2pm.

OR: I am unable to come to the Introduction Session but
am still interested in the 5 sessions before school starts.
